

## **Kids Needs of Englewood**

Beginning September 3 and continuing during each “school day Thursday,” from 5-7 p.m., the closet location of Kids Needs of Greater Englewood will be open for business. We serve all students attending these schools: SKY Academy Englewood campus, Englewood Elementary School, Vineland Elementary School, Myakka River Elementary School, L.A. Ainger Middle School, Genesis Christian Academy and Lemon Bay High School. At the closet, families will find school supplies, shoes, socks, underwear and toiletries for students PK- grade 12. Children 10 and under are asked to not enter the closet at this time. One family representative may shop for the family. Face masks must be worn while shopping. Visits are limited to once a month. Shoes may be selected every 3 months.

The closet is located at 272 S. Indiana Avenue across from the bowling alley in Englewood.
