

# MOM

by Rusty Adkins

Mom - you were great, loved, awesome and amazing

Mom - you are great, loved, awesome and amazing

Mom - you were loving, caring, giving and sharing

Mom - you are meaningful, idolized and in my heart

Mom - you were a mentor, protective, helping, enthusiastic and always there

I will never forget you, forget your love or lose your heart

You will never be forgotten

You are always thought of and in my heart

You are and always will be ---my mom.
