Tim Ostrow, concert narrator

Good Evening,

It is difficult to believe that we are already at the end of the school year. 2021-2022 has been quite an eventful year for the Lemon Bay High School Band Program. Our students have had success, both individually and as a group, and I am very proud of the work they have put in this year. We are excited to showcase our work in tonight's performance, as it is the culmination of this year's efforts.

The Spring Concert is always a bittersweet time, as we bid farewell to our graduating seniors and look to the next year with anticipation and excitement. I would like to take this opportunity to thank our seniors for their contribution to the Band Program during their time at Lemon Bay. I would also like to thank our Band Parents for supporting your students' efforts this year. Last, but certainly not least, thank you to our sponsors (listed below and on back cover). We could not do what we do without their generous contributions. We hope you enjoy our final presentation of the 2021-2022 school year, and have a happy and restful summer!

Sincerely,

Philip J. Eyrich

Director of Bands, Lemon Bay High School
