Section A - Key

You will be enrolled in 7 classes next year. Please rank elective choices at the bottom. Contract required for all AP/AICE/DE/Honors classes.

Space may be limited in advanced classes; GPA, teacher recommendation and test scores will be used to determine placement order.

Failure to sit for an AP or AICE test will result in loss of AP/Honors weighting in that course as well as a financial obligation for the cost of the assessment.

Bold Classes are included or in preparation for the AICE Diploma.

If you did not pass a certification test in the 9th grade year, you will be required to sign up for a certification course again this year. Certifications are offered in the highlighted courses.

If you are taking any Honors, DE, AP, or AICE courses, you and a parent must sign the advanced coursework contract. In addition, many AP and AICE courses will have a summer assignment posted to the website that you are responsible to complete over the summer.
