All community service must be voluntary (court-ordered community service may not be submitted to the Career Resource Center.) All service must be pre-approved by Mrs. Dailey before documenting the hours on this form if not on list of approved sites (see back).

School and community service hours must be submitted during the semester they were earned to receive credit. Summer hours must be submitted during fall semester of the upcoming school year to receive credit.

Students should check the accumulation of their hours on a regular basis in their FOCUS account. Choose Demographics, then click on 'Graduation.

Service Cord Eligibility is at 2 p.m. on the last Wednesday of March during a student's senior year. 150 or more hours must be completed, documented and submitted by that date to qualify for this honor.

What is the purpose of service hours?

- Recognition at graduation with a silver cord (150-249 hours) or gold cord (250+ hours) by senior year the end of March
- Florida Bright Futures: FAS (100 hours) and FMS (75 hours)
- Resume: for Scholarships, College Applications and Employment Applications
- National Honor Society (10th grade by end of semester 1 need 30 hours & qualifying GPA to receive application)

Lemon Bay High School Community Service—Some of the Pre-Approved Sites

As a Lemon Bay High School student, you are encouraged to begin volunteering and documenting your volunteer hours early during your freshman year, in fact, please feel free to begin over the summer prior to starting 9th grade. These local nonprofit sites and events have been pre-approved. Other non-profit sites you may be interested in are not listed, but could be approved by contacting the Career Resource Center. Community service must be documented and submitted to the Career Resource Center during the semester it was completed. Summer community service must be submitted no later than the end of the upcoming semester of school (December). Community Service Documentation forms are located outside the Career Resource Center for easy student access. Court-ordered community service does not count toward your high school total and may not be submitted to the Career Resource Center.
